- **This week's academic vocabulary word is CONTRIBUTE.** Here are 2 ways to give your child extra opportunities to hear and use the word **CONTRIBUTE**!
 - ◆ *If you were working with others to rake a big pile of leaves or clear snow from a driveway, and someone was not **CONTRIBUTING** as much as everyone else, what would you do? Why?*
 - ◆ *If you **CONTRIBUTED** just one dollar to a fund for kids who just arrived in this country and needed school supplies, or **CONTRIBUTED** your time by helping to collect and organize the supplies, you'd be doing your part. How do you feel when you **CONTRIBUTE** your own money or time? How do one person's small **CONTRIBUTIONS** make a difference?*
 - *Remind your child that the word **CONTRIBUTE** means to give or do something that helps a person or a group.*
- **How else can you build your child's reading skills through TALK?**
 - Try these questions taken from different TalkOn age groups this week.
 - ◆ *As soon as I saw the picture, I knew that view of the zoo was painted by you! Can we count all the **rhyming** words in that sentence? (4; knew, view, zoo, you)*
 - ◆ *Art that doesn't look real or exactly like something in nature is called **abstract** art. Often abstract art includes lots of **shapes and colors**. Would you rather look at paintings of things you see in real life, or abstract art? Why?*
 - ◆ *Artists sometimes spend **years** creating enormous metal sculptures for outdoor spaces. If you had made one of these sculptures, how would you **feel** as movers arrived to load it in the truck? What would you be thinking about?*
